Summer School is offering a 2 week Literacy remediation course in both semesters for students preparing to write the Grade 10 OSSLT - OLC101

****Course availability will be determined by enrolment.** Single credits may or may not be offered in each semester. Enrolment will determine placement. **Courses will be combined with other course to create a full class.** NOTE: Summer School will attempt to offer a course for which there is a demand. For courses not listed please attach a note to your application.
