2017-18 Parents Reaching Out (PRO) Grants

School Councils

February 2017

PARENTS REACHING OUT (PRO) GRANTS

What are Parents Reaching Out (PRO) Grants?

PRO Grants are designed to support parents in identifying barriers to parent engagement in their own community and to find local solutions to involve more parents in support of student achievement and well-being.

There are two types of PRO Grants:

- 1) **PRO Grants for School Councils** support projects that focus on engaging parents within their school community who may experience challenges in becoming involved in their children's learning.
- 2) **PRO Grants for Regional/Provincial Projects** enhance parent engagement to support student achievement and well-being in a region of the province or at the provincial level.
