5. PROCEDURE**5.1 Expulsion Recommendation**

5.1.1 A principal shall suspend a student and shall conduct an investigation to determine whether to recommend to the Board that the student be expelled if they believe that the student has engaged in any of the following activities while at school, at a school-related activity, on school transportation, or in other circumstances where engaging in the activity will have an impact on the school climate:

5.1.1.1 possessing a weapon including possessing a firearm,

- 5.1.1.7 giving alcohol or cannabis to a minor,
- 5.1.1.8 bullying, if
 - 5.1.1.8.1 the student has previously been suspended for engaging in bullying, and
 - 5.1.1.8.2 the student's continued presence in the school creates an unacceptable risk to the safety of another person,
- 5.1.1.9 any incident, including bullying, that is motivated by bias, prejudice, or hate based on race, national or ethnic origin, language, colour, religion, sex, age, mental or physical disability, sexual orientation, gender identity, gender expression, or any similar factor (e.g., socio-economic status, appearance, or other diverse abilities).
- 5.1.2 Any other activity that, under a policy of the Board, is an activity for which a principal must consider suspending a student and conduct an investigation to determine whether according to the Board that the student be expelled, including:
 - 5.1.2.1 the student commits an infraction in the school community, and the infraction has an adverse effect on the school,
 - 5.1.2.2 the student's pattern of behaviour is so refractory that the student's presence is injurious to the effective learning environment of others,
 - 5.1.2.3 the student has engaged in activities that:
 - 5.1.2.3.1 cause the student's presence in the school to be injurious to the physical or emotional well-being of other students or persons in the school, and/or

- 5.1.2.3.2 caused extensive damage to the property of the Board or to goods that are on Board property,
- 5.1.2.4 the student has committed a serious breach of the Board or School's Code of Conduct for Students.
- 5.1.3 The Education Act requires the principal to consider mitigating and other factors, set out below, in determining the length of the suspension and in determining whether to recommend expulsion. The principal shall also contact the police, consistent with the Police/School Board Protocol (2016) if the infraction the student is suspected of committing requires such contact. The principal shall consult with their family of schools superintendent.

5.2 Procedural Steps When Imposing a Suspension pending Possible Expulsion

When imposing a suspension the principal is required to affect the following procedural steps:

- 5.2.1 Within 24 hours of imposing the suspension, take all reasonable steps to contact the parent(s)/guardian(s) (if the student is under 18 years of age), unless the student is 16 or 17 years old and has withdrawn from parental control.
- 5.2.2 The principal must inform the student's teacher(s) of the suspension.
- 5.2.3 The principal must provide written notice of the suspension to the student, parent(s)/guardian(s) (if the student is under 18 years of age), unless the student is 16 or 17 years old and has withdrawn from parental control, and the family of schools superintendent which includes:
 - 5.2.3.1 the reason for suspension,
 - 5.2.3.2 the duration of the suspension,
 - 5.2.3.3 information about the program for suspended students the student is assigned to,
 - 5.2.3.4 information about the investigation the principal is conducting to determine whether to recommend expulsion,
 - 5.2.3.5 a statement that there is no immediate right to appeal the suspension. Any appeal must wait until the principal decides whether to recommend an expulsion, and if the principal decides not to recommend an expulsion, a statement that the suspension may be appealed to the Suspension Committee, and if the

principal decides to recommend an expulsion that the suspension may be addressed at the expulsion hearing.

- 5.2.4 Every effort should be made to include the schoolwork with the letter of suspension to the student, parent(s)/guardian(s) (if the student is under 18 years of age), unless the student is 16 or 17 years old and has withdrawn from parental control, on the day the student is suspended if the letter is provided to the student to take home. If it is not possible to provide the letter because the student and/or the student's parent(s)/guardian(s) is/are not available, the letter should be mailed, couriered, faxed or emailed to the home address that day and schoolwork should be made available for the adult student's designate or the student's parent/guardian or designate to pick-up from the school the following school day. Access to schoolwork may also be provided in a digital format, in consultation with parent(s)/guardian(s) or the adult student, if it is determined that the student has access to work in this format.

Note: If notice is sent by mail or courier, it will be deemed to have been received on the fifth school day after it was sent. If notice is sent electronically, it is deemed to have been received the first school day after it was sent.

- 5.2.5 Where the incident is a serious violent incident, such as possessing a weapon, physical assault (causing bodily harm requiring medical attention), sexual assault, robbery, using a weapon to cause/threaten bodily harm, extortion, hate and/or bias-motivated occurrences, the Serious Student Incident Reporting Form must identify the incident as a violent incident.
- 5.2.6 If the principal has identified the incident as a violent incident on the Serious Student Incident Reporting Form, the reporting form and documentation must be retained in the student's Ontario School Record (OSR) for the following periods set out in Ministry of Education Policy and Program Memoranda 145: Progressive Discipline and Promoting Positive Student Behaviour:
- five years if the student was expelled for the violent incident,
 - three years if the student was suspended for the violent incident,
 - at least one year if the student's suspension was quashed or withdrawn and the record of suspension expunged. Documentation of any other action taken (other than suspension or expulsion) must also be retained for this period.

5.3 Long Term Suspension and Expulsion Program

- 5.3.1 Where a student has been suspended pending an investigation to determine whether to recommend an expulsion, the student will be assigned to the Long Term Suspension and Expulsion Program (LTSEP). The principal or vice-principal of the student's home school shall communicate to the adult student or the student's parent(s)/guardian(s) the purpose and nature of the LTSEP.
- 5.3.2 A student cannot be compelled to participate in the LTSEP. Should the adult student or the student's parent(s)/guardian(s) choose not to have the student participate in the LTSEP, the student will be provided with schoolwork consistent with the Ontario curriculum or that student's modified and/or alternative curriculum to be completed at home for the duration of the suspension. This schoolwork will be available at the school for pick-up by the adult student's designate or the student's parent(s)/guardian(s) or a designate at regular intervals during the suspension period beginning the school day after the adult student or the student's parent(s)/guardian(s) refuses to participate in the LTSEP. Access to schoolwork may also be provided in a digital format, in consultation with parent(s)/guardian(s) or the adult student, if it is determined that the student has access to work in this format.
- 5.3.3 A Student Action Plan (SAP) will be developed for every student who agrees to participate in the LTSEP. The principal of the LTSEP, or designate, will develop this plan in conjunction with the student's home school principal, or designate.
- 5.3.4 Agreement or refusal to participate in the LTSEP may be communicated to the student's home school verbally by the adult student or the student's parent(s)/guardian(s). Where the adult student or student's parent(s)/guardian(s) declines the offer to participate in the LTSEP, the home school principal or vice-principal shall record the date and time of such refusal.
- 5.3.5 For students who are suspended, pending an investigation to determine whether to recommend an expulsion, and who choose to participate in the LTSEP, the principal of the LTSEP, or designate, will hold a planning meeting with the home school principal, or designate, to develop the SAP.
- 5.3.5.1 The adult student or the student's parent(s)/guardian(s) and student (where appropriate), as well as any appropriate teaching and support staff will be invited to participate in the planning meeting.

- 5.3.5.2 The planning meeting will be scheduled to occur within two school days of the adult student or the student's parent(s)/guardian(s) informing the school that the student will participate in the LTSEP.
- 5.3.5.3 If the adult student or the student's parent(s)/guardian(s) are not available to participate in the planning meeting, the meeting will proceed in their absence and a copy of the SAP will be provided to them following the meeting.
- 5.3.5.4 During the planning meeting the home school principal or vice-principal shall review the matters to be addressed in the student's SAP.
- 5.3.6 A student who is suspended, pending an investigation to determine whether to recommend an expulsion, will be provided with both academic and non-academic supports, which will be identified in the student's SAP.
- 5.3.7 The SAP will be developed under the direction of the home school principal with assistance, as appropriate, from the principal of the LTSEP, and any additional staff who may be able to provide input (i.e., vice-principal of the home school, guidance counsellor, special education teacher, classroom teacher, child and youth worker and/or social worker).
- 5.3.8 The home school principal will make every effort to complete the SAP within five school days following the adult student or the student's parent(s)/guardian(s) informing the school that the student will participate in the LTSEP. This timeline will be communicated to the adult student or the student's parent(s)/guardian(s) if they are unable to attend the planning meeting for the purpose of providing input.
- 5.3.9 Once completed, the SAP will be shared with the adult student or the student's parent(s)/guardian(s) and student, and all necessary staff in order to facilitate implementation.
- 5.3.10 A copy of the SAP will be stored in the student's OSR until such time as it is no longer relevant to the student's progress.
- 5.3.11 The SAP will identify:
 - 5.3.11.1 the incident for which the student was suspended;
 - 5.3.11.2 the progressive discipline steps taken prior to the suspension, if any, and if relevant;

- 5.3.11.3 any other progressive discipline measures imposed in addition to the suspension;
- 5.3.11.4 any other disciplinary matters regarding the student that have been identified by the home school;
- 5.3.11.5 any learning or other needs that might have contributed to the infraction resulting in discipline;
- 5.3.11.6 any program(s) or service(s) that might be provided to address those learning or other needs;
- 5.3.11.7 the academic program to be provided to the student during the suspension period and details regarding how that academic program will be accessed by the student;
- 5.3.11.8 where the student has an Individual Education Plan (IEP) or needs related to diverse abilities, information regarding how the accommodations/modifications of the student's academic program will be provided during the period of suspension;
- 5.3.11.9 the non-academic program and services to be provided to the student, if applicable, during the suspension and details regarding how that non-academic program and those services will be accessed; and
- 5.3.11.10 the measurable goals the student will be striving to achieve during the period of suspension.

5.4 Principal's Investigation

- 5.4.1 The principal shall conduct an investigation promptly following the suspension of the student to determine whether to recommend to the Expulsion Committee that the student be expelled. As part of the investigation, the principal will consult with the family of schools superintendent and/or Superintendent overseeing Safe and Caring Schools regarding any issues of process and/or timing for conducting the investigation. The investigation must be completed at the earliest opportunity in order to make the substantive decision whether or not to recommend that the student be expelled. Before referring a student to the Expulsion Committee for expulsion, the administration shall consider if the recommendation might have a disproportionate impact on a student protected by the Human Rights Code, and/or exacerbate the student's disadvantaged position in society, and if accommodation is required. Should the decision be made to refer the student to the Expulsion Committee with a recommendation for expulsion, the student must be

referred to and brought before the Expulsion Committee within twenty school days from the date of suspension (unless timelines are extended on consent).

5.4.2 Any police investigation will be conducted separately from the principal's inquiry. The principal will consult the Police/School Board Protocol (2016) to determine whether the school investigation can be completed in parallel.

5.4.3 As part of the investigation, the principal shall:

5.4.3.1 make all reasonable efforts to speak with the adult student or the student's parent(s)/guardian(s) and the student,

5.4.3.2 include interviews with witnesses who the principal determines can contribute relevant information to the investigation,

5.4.3.3 make every reasonable effort to interview any witnesses suggested by the student or the student's parent(s)/guardian(s),

5.4.3.4 consider the mitigating and other factors when determining whether to recommend to the Expulsion Committee that the student be expelled, and

5.4.3.5 consider whether or not the student is protected by the Human Rights Code and/or is in a disadvantaged position in society and evaluate the appropriateness of the accommodation if any was provided.

5.5 Mitigating Factors

The mitigating factors to be considered by the principal before deciding whether to recommend an expulsion are:

5.5.1 whether the student has the ability to control their behaviour,

5.5.2 whether the student has the ability to understand the foreseeable consequences of their behaviour, and

5.5.3 whether the student's continuing presence in the school does or does not create an unacceptable risk to the safety of any other individual at the school.

5.6 Other Factors to be Considered

Where the student is able to control their behaviour and/or is able to understand the foreseeable consequences of their behaviour, the principal will consider whether the following factors mitigate the length of a suspension and whether the student should be referred to the Expulsion Committee on a recommendation for expulsion.

- 5.6.1 the student's academic, discipline and personal history, reflecting on possible trauma, and/or including individual identities that may have been impacted differently by historical and current systemic biases and oppression;
- 5.6.2 whether progressive discipline has been attempted with the student, and if so, the progressive discipline approach(es) and outcome(s);
- 5.6.3 whether the infraction for which the student might be disciplined was related to any harassment of the student because of race, ethnic origin, religion, creed, disability, gender or gender identity, sexual orientation or any other immutable characteristic or harassment for any other reason;
- 5.6.4 the impact of the discipline on the student's ongoing education;
- 5.6.5 the student's age and stage;
- 5.6.6 where the student has an IEP or needs related to diverse abilities:
 - 5.6.6.1 whether the behaviour causing the incident was a manifestation of the student's exceptionality,
 - 5.6.6.2 whether appropriate individualized accommodation has been provided to the point of undue hardship, and
 - 5.6.6.3 whether a suspension is likely to result in aggravating or worsening the student's behaviour or whether a suspension is likely to result in a greater likelihood of further inappropriate conduct, and
- 5.6.7 whether or not the student's continuing presence at the school creates an unacceptable risk to the safety of anyone in the school.

5.7 Progressive Discipline

In reviewing whether progressive discipline approaches have been attempted with the student, and if so, the progressive discipline approaches and outcomes, the principal will consider:

- 5.7.1 whether the teacher, principal or vice-principal has utilized proactive strategies and positive practices.

Proactive strategies may include, but are not limited to:

5.7.2 whether the teacher, principal or vice-principal has utilised early and/or ongoing intervention strategies to prevent unsafe or inappropriate behaviours, such as:

- contact with the student's parent(s)/guardian(s),
- verbal reminders,
- review of expectations,
- written work assignments with a learning component,
- assigning the student to volunteer services to the community,
- conflict mediation and resolution,
- peer mentoring,
- referral to counselling, and/or an Indigenous student worker if the student self-identifies as Indigenous,
- consultation between two or more of the parties, and/or
- case conferences.

5.7.3 whether the principal or vice-principal has used progressive discipline approaches to address inappropriate behaviour for which a suspension could have been imposed, such as:

- meeting(s) with the student's parent(s)/guardian(s), student, and principal,
- referral of student to a community agency (i.e., anger management, substance use counselling),
- detentions,
- withdrawal of privileges,
- withdrawal from class,
- restitution for damages, i.e., financial, community service,
- restorative practices, and/or
- transfer to another class or school.

5.8 Consultation

Before making a decision to recommend expulsion, the principal of the school will consult with the student, parent(s)/guardian(s) (if the student is under 18 years of age), unless the student is 16 or 17 years old and has withdrawn from parental control.

5.9 Decision Not to Recommend Expulsion

5.9.1 Following the investigation and consideration of the mitigating and other factors and the application of the Code of Conduct, if the principal decides not to recommend to the Expulsion Committee that the student be expelled, the principal must:

A teacher-in-charge shall report to the administration at the earliest opportunity the reason(s) why notification was not provided to the parent(s)/guardian(s). The principal or vice-principal shall:
