

School for *Young* MOMS

The School for Young Moms supports pregnant students and young parents to pursue their high school education while nurturing a strong attachment with their infants.

Work towards graduation

- earn high school credits at your own pace
- school board resources
- ongoing registration throughout the school year
- register during pregnancy, or after baby has arrived

Program Information

- specialty parenting programs
- small, inclusive setting
- nurturing and safe licensed child care for infants under 18 months
- daily breakfast and lunch
- transportation may be provided
- links to community programs
