## Standard 11

### Provincial and Demonstration Schools in Ontario

This standard provides the public with information about the Provincial and Demonstration Schools that operate for students who are deaf, blind, or deaf-blind, or who have profound learning disabilities.

Over the school year 2023-2024, the KPRDSB supported 12 students in (8 at Sagonaska School and 4 at Sir James Whitney School for the Deaf) attending these programs.

#### Provincial Schools and Provincial Demonstration Schools

- are operated by the Ministry of Education
- provide education for students who are deaf or blind, or who have profound learning disabilities
- provide an alternative education option
- serve as regional resource centres for students who are deaf, blind, or deaf-blind

Applications for admission to a provincial Demonstration School are made on behalf of students by the school board, with parent/guardian consent. Admittance to a Provincial School is determined by the Provincial Schools Admission Committee in accordance with the requirements set out in Regulation 296 of the Education Act.

Transportation to Provincial Schools for students is arranged for and provided by school boards.

An in-service teacher education program is provided at each Demonstration School. This program is designed to share methodologies and materials with teachers of Ontario school boards. Information about the programs offered should be obtained from the schools themselves.

Each provincial Demonstration School has an enrolment of forty students. The language of instruction at the Amethyst, Sagonaska, and Trillium schools is English; at Centre Jules-Léger, instruction is in French.

#### 1. Provincial Schools for the Deaf

These schools provide elementary and secondary school programs for deaf students from preschool level to high school graduation. The curriculum follows the Ontario curriculum and parallels courses and programs provided in school boards. Each student has their special education needs met as set out in their Individual Education Plan (IEP). Schools for the deaf or hard of hearing:

The Ministry of Education provides services for children with severe learning disabilities at four Demonstration Schools:

Each Demonstration School has an enrolment of not more than forty students. The language of instruction at the Amethyst, Sagonaska, and Trillium Schools is English; at the Centre Jules-Leger, instruction is in French.

In addition to providing residential schooling for students with profound learning disabilities, the provincial Demonstration Schools have special programs for students with profound learning disabilities in association with attention-deficit/hyperactivity disorder (ADD/ADHD). These are highly intensive, one-year programs.

Programs are tailored to the needs of the individual student and:

### **Transportation for students to and from the Provincial or Demonstration Schools**

Students attending a Provincial or Demonstration School are generally transported by bus arranged through the KPRDSB in collaboration with Student Transportation Services of Central Ontario (STSCO) once the student has been accepted at the Provincial or Demonstration School. Designated stops on the bus route are accessed by each family on Friday and Sunday. This mode of transportation is shared with the Durham District School Board. When necessary, an assistant is provided, and this cost is shared between the Kawartha Pine Ridge District School Board and the Durham District School Board.
